Why your organization should upgrade their Snagit license

Snagit®

Snagit has been completely redesigned for smoother capturing and faster editing. Snagit makes meeting-free communication possible and helps real people do everyday work faster.

The latest version of Snagit includes powerful, new features such as:

- Panoramic Capture
- Animated GIF Creation
- Webcam Recording
- On-the-fly Capture Interface
- Customizable Toolbar for Each Individual's Needs
- Redesigned Modern Callouts & Updated Stamps
- Magnify Tool
- Outlined Text
- Higher Frame Rate
- Support for 4K Capture

IMPROVED PERFORMANCE

2x FASTER EDITING

2016 MODERN LOOK

TECHSMITH CUSTOMERS LOVE SNAGIT

"Snagit 13 is a major and significant upgrade, with improved visual layout of tools and effects, and improved ease of use. If you already like the present version of Snagit you are using, you will like Snagit 13 even more. More than worth the upgrade cost."

—John Thompson, Professor Emeritus Sociology, College Educator

Note: All older versions of Snagit can be upgraded to the latest version of Snagit for the same price.
